The 7th Symposium on Fluid-Structure-Sound Interactions and Control

July 27-31, 2025 Oshawa/Toronto Canada

The 2025 FSSIC Symposium will be organized by Ontario Tech University under the auspices of the Fluid-Structure-Sound Interactions and Control Society (FSSICS)

SYMPOSIUM TOPICS

- Fundamental problems of turbulence and unsteady fluid dynamics
- Fluid-structure interactions
- Flow-induced noise
- Aero- or hydro-acoustics
- Active and passive control of turbulence, fluid-structure interactions and noise
- Machine-learning applications in turbulence, fluid-structure interactions and acoustics
- Applications related to the aerodynamics of road and space vehicles, marine and civil engineering, nuclear reactors and biomedical science

IMPORTANT DATES

MARCH 22, 2025

APRIL 5, 2025

MAY 24, 2025

MAY 30, 2025

JULY 5, 2025

JULY 27-31, 2025

Abstract submission deadline

Acceptance notification

Early bird registration

Paper submission deadline Full registration deadline

Conference dates

ABSTRACT SUBMISSION

Authors are invited to submit a two-page extended abstract, including one or two figures

CONFERENCE VENUE

Ontario Tech University2000 Simcoe Street North,Oshawa, Ontario, Canada
